NEET-UG
MBBS/BDS/B.Sc. Nursing

PIERS: Your Trusted Partner for Medical Admissions

Pursuing an MBBS degree is one of the most prestigious goals after completing 12th grade (Science). With numerous institutions both in India and abroad offering MBBS programs, choosing the right college can be overwhelming. PIERS provides a premium service, offering all the essential information regarding NEET UG, medical admissions, counseling, and fees, so you don't have to visit multiple colleges. We guide you in making well-informed decisions, helping you select the best college for your MBBS or other medical degrees.

Why Choose PIERS?

- ✓ **Client-Focused Approach:** We prioritize your needs and ensure the best opportunities are available at an affordable budget.
- ✓ **Personalized College Recommendations:** PIERS provides a list of colleges perfectly aligned with your abilities, ensuring you make the right choice for your medical career.
- ✓ **Stress-Free Process for Parents:** Our reliable admission guidance reduces the pressure on parents, offering peace of mind throughout the process.
- ✓ **Expertise and Experience:** With years of experience in the medical admissions field, PIERS follows established practices and policies to guide you through every step.

Many students with excellent scores miss out on opportunities due to insufficient information. PIERS ensures you stay updated with all crucial details about NEET UG, NEET PG, NTA, MCI, medical admissions, counseling, and the best MBBS colleges. Our comprehensive guidance ensures you never miss an opportunity and are well-equipped for a successful admission journey.

RAJIV RANJAN SINHA
CEO

Rajiv – Versatile Marketing Professional and Medical Admission Counselor With 14 years of diverse experience, Rajiv has successfully led marketing initiatives across industries, including education, insurance, broking, and manufacturing. As a key member of core management teams, he has been instrumental in driving organizational growth through strategic planning, brand development, team management, and achieving significant revenue milestones.

For the past 6 years, Rajiv has focused his expertise on guiding students as a Medical Admission Counselor, helping them navigate the complex processes of securing admission into domestic and international medical programs. His tailored counseling approach, combined with his marketing acumen, ensures students receive the right guidance to achieve their academic and career goals.

Core Competencies and Achievements:

Marketing Expertise: Revamped branding strategies, enhanced brand visibility, and executed data-driven roadmaps to deliver measurable results.

Medical Admission Counseling: Supported students through personalized guidance, documentation assistance, career planning, and scholarship application.

Team Leadership: Built and managed high-performing teams to drive success across organizational levels.

Cross-functional Initiatives: Spearheaded projects focused on quality improvement, branding, and organizational development.

Mentorship: Passionate about mentoring newcomers, enabling them to achieve their potential and prepare for leadership roles.

Having worked with top multinational companies, Rajiv combines his wide-ranging skills and industry knowledge to deliver exceptional results for both organizations and individuals. His commitment to excellence and student success defines his professional journey.

PIERS (Promoters of International & Education Services), established on August 14, 2018, is a leading pioneer in the field of Global Education. We specialize in providing impartial, exhaustive, authentic, and high-quality educational services. With an extensive network of branches, strong associations with top-tier institutions worldwide, and an outstanding reputation, we are committed to delivering world-class educational support to students across the globe.

At PIERS, we recognize the challenges of today's competitive academic environment. Our experienced counselors offer comprehensive guidance to help students achieve their goals, whether in medical, engineering, or business education. We provide expert consultancy services for NEET UG/PG, MBA/PGDM admissions, and other sought-after courses in leading Indian colleges. Our services are designed to help students make informed decisions, ensuring they are placed in institutions that best align with their career aspirations.

We offer a range of excellent opportunities for students in the fields of medical, engineering, and management, with a primary focus on fostering their bright futures. PIERS maintains a professional yet friendly environment, ensuring that every student feels supported in their academic journey.

Our mission is to provide accurate and timely information to students and parents about the most suitable educational institutions, both in India and abroad. We are committed to delivering superior consultancy services, working with integrity, and providing responsible counseling through effective teamwork. Our dedication to excellence drives us to consistently achieve success in everything we do. In addition to our domestic consultancy services, PIERS is proudly partnered with institutions in Japan and other countries, offering students a seamless and hassle-free overseas education experience.

Sunil Kumar Jha
Administrative Head

Sunil Kumar Jha has been an industry stalwart, believing and promoting that education must be accessible to all. In his 20+ years of experience in the education sector he has worked tirelessly to make sure that every child in India is able to fulfill his/her dream of having a promising career. He believes that with the onset of internet revolution a good quality education is at a one hand distance from the students and they should be eager to reach out for it. He is motivated to work with all the students and their parents to help them achieve their goals of becoming a successful professional by ensuring a meaningful education. In his stint with PIERS he is determined to help the newcomers and parents navigate the challenges of identifying a suitable career path and prepare them for the future.

Our Counseling Team

- **Rajiv Ranjan Sinha**
- **Sunil Kumar Jha**
- **Subodh Pradhan**
- **Puja sinha**
- **Samikshya Behra**
- **Nitai Kumar Mahato**
- **Ankita Jha**

The complete list of our team is available at www.piersedu.com

NOTE: Other Than these names we don't have any team member on board

We believe That Global Education needs to be redefined for today's borderless world. And we are the changing face of this new wave of Global Education.

Vision

At PIERS, we believe in the boundless potential of every individual. The truth is simple: you don't belong to a single place. No one location can define you, and no one boundary can limit your possibilities. You are meant to belong everywhere and nowhere at the same time. You belong to the world. And the world belongs to you.

Mission PIERS

Our mission at PIERS is to guide and support students in navigating the complexities of today's competitive academic landscape. We are committed to empowering aspiring professionals by providing expert consultancy services for admissions into premier medical, engineering, business, and other esteemed programs.

Through personalized counseling and strategic guidance, we aim to help students make informed decisions that align with their career aspirations. At PIERS, we dedicate ourselves to fostering academic excellence, ensuring every student has the opportunity to achieve their full potential in institutions that best suit their ambitions.

Our goal is to inspire informed decisions, foster excellence, and open pathways to success, ensuring each student is placed in an institution that aligns with their dreams and ambitions. **By reaching 1,000 students in year 2025**, we aim to make a meaningful impact on future leaders and professionals.

Are you ready to step into your role within it?

Together:

At PIERS, we are more than just a team – we are a collective community united by a common vision. We don't operate in silos. Each one of us plays a vital role in propelling our mission forward, contributing at every level. We are global. We are inclusive. Like our students, we embrace the cosmopolitan spirit.

Customer-Centric:

Our students are at the heart of everything we do. At PIERS, we are deeply committed to their interests and needs. We prioritize transparency, clarity, and respect, ensuring every interaction is designed to eliminate friction in conversations, technology, and experiences. We focus on making the journey seamless and student-focused, always.

Purposeful:

At PIERS, we understand the responsibility we carry in shaping confident, impactful cosmopolitans of tomorrow. We play a small yet significant role in this process, doing so with the highest standards of integrity. We let our work speak for itself – because we are about style, not flash.

Our Process Flow

At PIERS, we simplify the journey to your academic and career success, guiding you every step of the way.

Preliminary Discussion

We start by gathering essential information about you – including your domicile, academic scores, aspirations, and budget. This helps us create a personalized report tailored to your needs and goals.

1-to-1 Counseling

Next, we offer an extensive, one-on-one session with our experts. We help map your profile, address any questions, and provide clear guidance on the admission process, ensuring all your concerns are resolved.

Tracking & Monitoring

Our support doesn't end with counseling. We stay with you throughout the entire process, offering continuous guidance and monitoring until you secure your place in your desired college.

Admission Support

We handhold you throughout the entire counseling process, till you secure admission in your desired college

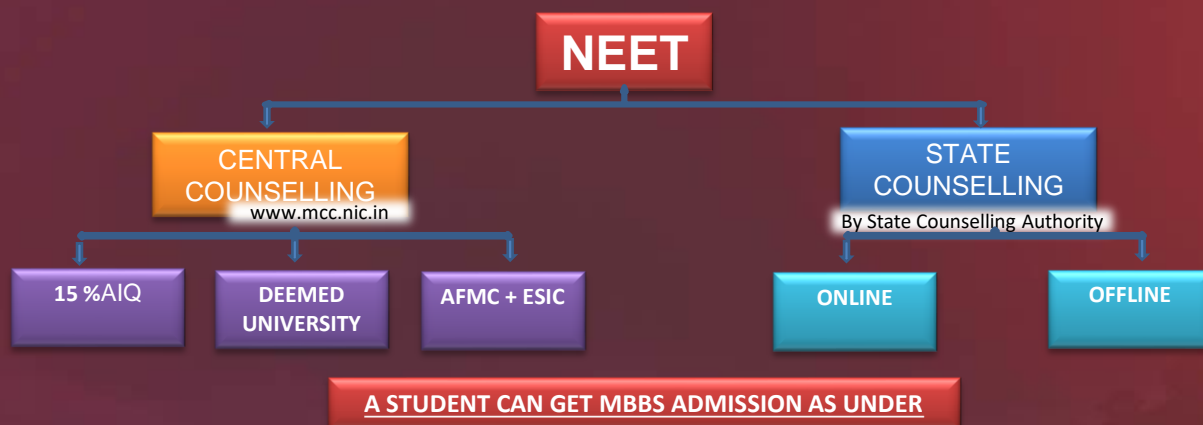

Counseling and Admission Guidance for NEET 2025

Navigating the path from NEET preparation to securing admission in a prestigious medical college can be overwhelming. At PIERS, we provide comprehensive **Counseling and Admission Guidance for NEET 2025**, ensuring that students and parents make informed decisions at every step of the journey.

Our services include:

- ❑ **Expert Career Counseling:** Personalized sessions to align your medical aspirations with the right college and program.
- ❑ **College Selection Assistance:** Guidance on selecting colleges based on your NEET score, preferences, and career goals.
- ❑ **Admission Process Support:** Step-by-step assistance in filling application forms, managing deadlines, and documentation.
- ❑ **State and All India Quota Guidance:** Detailed insights into seat allocation processes for AIQ and state quotas.
- ❑ **Mock Counseling Sessions:** Simulations to familiarize you with the counseling process and optimize your chances of success.
- ❑ **Scholarship and Financial Aid Advice:** Information on scholarships, loans, and financial aid options to make your medical journey accessible.

With our trusted guidance, you can confidently transition from NEET 2025 results to securing a seat in your dream medical college. Let us be your partner in turning aspirations into achievements!

Government College:
NEET Score 640 + & Above

Get a college through Counselling under 15% AIQ & 85% Home State Quota. There are three central universities i.e. IMS-BHU, JLNMC-AMU & MGIMS-Wardha.

If not allotted any Seats in Counselling

All NEET Qualified Students can get Vacant / NRI seats in Deemed Universities or Private Colleges under the specific conditions of court orders or NMC's direction

CONTACT US for further Guidance to get such VACANT SEATS.

"Your time is limited, don't waste it living someone else's life. Don't be trapped by dogma, which is living with the results of other people's thinking. Don't let the noise of other's opinions drown your own inner voice. Most importantly, have the courage to follow your heart and intuition, they somehow already know what you truly want to become. Everything else is secondary.

Eligibility Criteria

Age: The candidate must be 17 years old on or before December 31 of the admission year.

Educational Qualification:

Must have completed 10+2 with Physics, Chemistry, Biology/Biotechnology, and English as core subjects. General category candidates need a minimum of 50% aggregate in PCB; 40% for SC/ST/OBC, and 45% for PwD (General).

NEET Qualification: Qualifying the **NEET (National Eligibility cum Entrance Test)** is mandatory for MBBS admissions in India.

Is MBBS in India Worth It?

Pursuing MBBS in India can be highly rewarding for students passionate about medicine and prepared for the rigorous demands of the field. However, understanding the challenges and planning accordingly—whether through scholarships, proper guidance, or additional efforts—can help maximize the benefits of a medical education in India.

MBBS in India: Pros and Cons

Pursuing MBBS in India is a significant decision that requires careful consideration of its advantages and challenges. Here's a comprehensive look at the pros and cons:

Pros

Quality Education

Medical colleges in India offer robust academic curricula designed to produce skilled professionals. Training is rooted in practical and clinical exposure, especially in government hospitals.

Affordable Fees

Government medical colleges have low tuition fees, making education accessible to many students. Scholarships and financial aid are available for deserving candidates.

Wide Range of Institutions

India has 600+ medical colleges, offering diverse options across government, private, and deemed universities.

Diverse Patient Exposure

Medical students in India gain hands-on experience by treating a variety of diseases, enhancing their practical knowledge.

Recognized Degrees

MBBS degrees from Indian medical colleges are globally recognized and approved by bodies like the NMC and WHO.

Career Opportunities in India

High demand for medical professionals ensures job security and growth. Opportunities for postgraduate specialization are vast, with NEET-PG and INI-CET providing gateways to advanced education.

Cultural Familiarity

Students studying in India remain within familiar cultural, social, and linguistic environments.

Cons

Intense Competition

NEET is highly competitive, with limited seats and lakhs of aspirants vying for admission. Securing a seat in a government college is particularly challenging.

High Cost of Private Colleges

Private medical colleges can have exorbitant fees ranging from ₹10 lakh to ₹25 lakh annually, making them inaccessible for many.

Limited Infrastructure in Some Institutions

While top colleges have excellent facilities, many institutions lack modern infrastructure and advanced teaching resources.

Rigid Education System

The focus on rote learning over critical thinking and research opportunities can hinder a student's growth.

High Workload

Medical education demands extensive study hours, internships, and training, leaving minimal time for personal life.

PG Entrance Challenges

After MBBS, students must clear another competitive exam (NEET-PG or INI-CET) for postgraduate specialization, increasing stress.

Limited Research Opportunities

Compared to international institutions, Indian colleges may provide fewer opportunities for medical research and innovation.

BDS COLLEGES IN INDIA

Bachelor of Dental Surgery, which is commonly known as **BDS**, is an undergraduate course in the field of dentistry. The program covers various aspects of dental related problems and issues and dental surgeries. BDS helps aspirants to become a dental surgeon or dentist in the future. The study of BDS consists of 5 years duration, 4 years of academic studies followed by 1-year compulsory internship. Successful completion of BDS will open various opportunities in government as well as private medical sectors. BDS is one of the most sought-after courses after MBBS in the field of medical science. In completion of BDS, one can even open their own dental clinic or work for the medical sector as a dentist and dental surgeon.

Individuals pursuing this course study a wide range of subjects, such as human anatomy, physiology, biochemistry, nutrition and dietetics, dental anatomy, dental material, oral surgery, orthodontics, and much more. It provides an in-depth knowledge of dental-related topics to its students and prepares them as a future dentist and dental surgeons.

There is a wide range of colleges that offer BDS in India, in different zones, i.e. south zone, east zone, west zone, and north zone. Information of the college is given along with the list of top BDS colleges in India.

IMPORTANT POINTS TO BE TAKEN CARE

- ✓ **ENTRANCE EXAMS:** Apply to All Entrance Exams. Know Admission Process In Details. Explore the Internet or meet any Professional expert to know about Counseling Process.
- ✓ **Admission:** to Government or Private colleges are Possible only by 1 Method i.e. COUNSELING. Make a strategy after exploring colleges according to their Rating and your Budget
- ✓ **COUNSELING:** Participate in Counseling and be Careful in Filling Choices. A single mistake can dis- qualify you from current session.
- ✓ **CHOICE FILLING:** While filling choices Must evaluate colleges and set their correct order to avoid choosing a low grade college at higher rank. Sometimes students miss to obtain seat even after having a good rank.
- ✓ **DIS-QUALIFICATION:** If a student get allocation of a high budget college and decides either not to join or if the student resigns after joining, the student will become Not Eligible for that academic year.
- ✓ **ADVANCE BOOKING IN COLLEGE:** After Supreme Court Guideline NO College/University can make commitment to any students for Advance Booking of seat.
- ✓ **DIRECT ADMISSION:** Kindly Note There is NO ANY DIRECT ADMISSION in Any College/Deemed University. Admissionsto Management Quota/NRI Quota are also done by Counselling Only.
- ✓ **BEWARE OF FRAUD:** Avoid Agents and Consultancies who use to promise Big brands in small budget. Kindly Note Admission completely Depends upon NEET Score Also avoid people saying they can manage Counselling or NEET Score. There is NO ANY such possibility.

IF NOT QUALIFIED IN NEET: NO ADMISSION possible in INDIA + ABROAD if one does not qualify the NEET Exam. Just Start Preparation for Scoring Better Marks Next Year

Believe
in Yourself
&
you will be
Unstoppable
